

MEMORY BASH IN A BOX

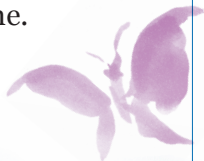

Keeping memories alive

We have transitioned this in-person event to an at-home activity that your family can participate in to lovingly remember those you miss so much.

Our original hope had been to come together as a community and celebrate our loved ones who have died. As we are no longer able to join together in-person, we are providing the opportunity to celebrate with remembrance activities in the comfort of your home.

 **Children's**[®]
MINNESOTA

Interested families will receive a care package filled with a variety of art projects, activities and musical interventions designed to keep the memories of your loved one alive. In addition to ideas and supplies, the package will include written instructions and links to online content.

Families do not need to have experience or ability in the area of art or music to creatively participate. The activities in the box are designed to be used in ways that suit your family best and are intended to promote healing and joy.

The *Memory Bash in a Box* is available for bereaved parents and families. Projects can be adapted to a variety of age levels.

Registration required by
Tuesday, October 20, 2020.

To register to receive a mailed *Memory Bash in a Box* care package, please contact Bereavement Services at **bereavement@childrensMN.org** or **612-813-7216**.

Packages will be mailed in early November.
There is no cost to receive a package.
